Gompers Declares Federation
Will Support Rail Workers in
Any Action Taken.

By MILDRED MORRIS,
International News Service.

The American Federation of Labor is expected to take the most militant stand in its history at the convention which opens in Denver June 13. The report of the executive council recommending new policies for the next year will be the most radical in the federation's record, it was learned today.

The federation will pledge full support to the railroad workers in whatever action they take on wage cuts, in their fight for repeal of the Cummins-Esch transportation act and for Government ownership and democratic control of the railroads, union leaders stated.

Samuel Gompers, in today's issue of the American Federationist, announces that the railroad problem will be one of the chief issues before the convention.

He names as other big issues to come before the convention Bolshevism, unemployment, immigration, the "open shop" movement, and pro-

MILLION DOLLAR BRIDGE OPENED AT FAIRMONT, W. VA.

Giant Span Over Monongahela
River Dedicated As Part of
Memorial Day Program.

International News Service.

FAIRMONT, W. Va., May 31.—Memorial Day was celebrated here yesterday by the opening of the \$1,000,000 bridge built over the Monongahela river and the dedication of a bronze tablet to the soldiers of Marion county who lost their lives in the world war, by the local chapters of the Daughters of the American Revolution. The tablet is erected on the new bridge.

The veterans of the Civil War and of the World War also held memorial services. A special train came from Pittsburgh with 300 persons aboard. People from many parts of Pennsylvania and throughout West Virginia were here for the ceremonies.

Every druggist in this country is authorized to say to every rheumatic sufferer that if two bottles of Allenru the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed Peoples Drug Stores to guarantee it in every instance.

vention through court injunctions of picketing and other strike tactics used by unions.

He refers to "the problem of Russian affairs, the cancer that is eating at the vitals of world civilization."

He declares the Denver convention will be the most important in the history of the labor movement.

"What sets the coming convention apart," he says, "is the fact that the post-war issues, which many believed would long ago be well on the way to settlement, are today in the balance at the crucial moment when the die must be cast one way or the other."

"America has made but little definite, calculated progress in reconstruction. There has been, to a large degree, an aimless, almost scrambled conflict of forces, plunging the country toward something unwanted and unsought."

"The coming convention must deal with the might jumble of forces—forces largely uncontrolled and, therefore, the more dangerous," Mr. Gompers declared.

CONGRESSMEN DELIVER MEMORIAL ADDRESSES

CUMBERLAND, Md., May 31.—Congressman Samuel A. Kendall delivered the address at the Memorial Day exercises at Meyersdale yesterday. Charles E. Kelley Post, No. 112, American Legion, joined with M. C. Lee Post, No. 214, Grand Army of the Republic. There was a long parade with William Leckemby, a world war veteran, as grand marshal.

Former Congressman Wooda N. Carr, of Uniontown, was the speaker at the exercises at Berlin, where Harry Fisher Post, American Legion, had charge. A large parade was headed by the Berlin Carpenters Band.

Formal memorial exercises were conducted in the court house at Bedford. The speaker was C. E. Shapell, of the Bedford American Legion. Previous to the meeting, the school children, headed by the Bedford Band, marched to the square and decorated the elm and memorial tablet to the world war soldiers.

WORLD WAR VETERAN SPEAKS AT MD. RITES

FROSTBURG, Md., May 31.—William C. Walsh, city attorney of Cumberland, who was a lieutenant in France during the world war, delivered the memorial address at Alleghany Cemetery here yesterday. He was introduced by Mayor Olin R. Rice. The Arion Band played selections and Jonathan Haw sang. The Rev. Dr. Seth Russell Downie pronounced the benediction. Farraday Post, American Legion, joined with Thoburn Post, Grand Army of the Republic, in the observance. A flag and a bouquet of red poppies were placed on every soldier's grave.

Why Do Stout Ladies Speak So Highly of the Upstairs Shop? There Is Only One Answer

Because it is the ONLY
logical place for stout
ladies to buy their clothes.

The attention that we give them, the pains that we are taking in fitting garments for hard-to-fit people, and the privacy of our connected rooms is enough to attract the most critical stout ladies.

Adding to this our wonderful selection of Dresses, Skirts, Waists, Suits and Coats at such reasonable prices there is really no excuse for those who will crowd in at sales counters, wasting their energy, trying to buy something they haven't got.
